## ADULT DOGS/OLDER PUPS LOOKING FOR HOMES:

**1) Leah**, a 4 year old white, sterilized Boxer is looking for a loving home. She is in good health and excellent with small children. Her family is moving abroad in mid August. Please contact Kirby Greathead on 074 113 4194 (Cape Town) or [Kirby@africanexposure.com](mailto:Kirby@africanexposure.com).

**2) Kerel and Zalli**, a 1 year old fawn male and female FBCSA registered Boxers need a new home together. They are not sterilized and are lively and loving, though they have not had experience with small children so preferably a home without young children and the current owners would prefer they do not go to a farm with sheep. **Contact Krona or Liza on 072 391 1018 or 076 768 8726 (Soutpan)**
